Dear Community Bank Delaware & Sussex County Council,

I represent Parseell Funeral Homes & Crematorium, headquartered in Lewes, DE. As you know we are a Licensed Funeral Establishment and have experience in re-locating graves in Delaware.

We have been retained by Community Bank Delaware to re-locate the grave sites in the parcel owned by Community Bank Delaware at the intersection of RT 5 and RT 24. The cemetery is known as Lingo Cemetery # 2 (**Cemetery ID: 2490752**), and has ten visible headstones, although some graves may be unmarked or contain more than one interment. This is not uncommon for cemeteries from the 1800s and early 1900s.

Upon completion of our final review of the site, we will provide Community Bank Delaware with the specific dates and times of the relocation plan, and exactly where the graves and headstones will be carefully and professional relocated inside Woodlawn Cemetery in Millsboro, DE. We will also file the necessary disinterment permits that are required. The deeds for the new grave locations will also be recorded by the cemetery and maintained.

We expect to complete this process within the next four months. If one should have a question, please feel free to call me at 302-645-9520.

Andrew T. Parsell
Vice President
